OUTDOOR ADVENTURES

PICHACHO PEAK SUMMIT HIKE

FEBRUARY 13, 2016

TRIP DESCRIPTION: Picacho peak has been a landmark for travelers through the region for centuries, and with its dramatic landscape and lush desert landscape it is a premier spot for viewing Arizona’s wildflowers in early spring. The strenuous summit hike entails hiking up some steep terrain with cables as protection. Exertion level: High

The Outdoor Adventures Program is designed to get members of the university community involved with the natural world through adventurous, human-powered activities. These activities include hiking, backpacking, mountaineering, canoeing, whitewater rafting, rock climbing, bicycle touring, cross-country skiing and caving. Each trip offers opportunities for activity skill development, personal development, social interaction, and safe and enjoyable recreation. Environmental awareness is emphasized throughout each trip.
