Wilderness Medicine Course:
The Wilderness First Responder course is designed to provide you with the tools to make critical medical and evacuation decisions in remote locations. Classroom lectures and demonstrations are combined with realistic scenarios where mock patients will challenge you to integrate your learning.

Certification:
- 80-hour Certification Course
- WMI Adult and Child CPR Certification
- Meets Department of Transportation (DOT) National Responder Requirements

Course topics include:
- Anatomy
- Physiology
- Patient Assessment & Management
- Environmental Medicine and Wilderness Rescue

Cost:
- $1,200 (Includes transportation from Outdoor Adventures to Mt. Lemmon Sky Center, Food, and Lodging)
- $300 Deposit

Location:
- Mt. Lemmon Sky Center
- Both classroom and outdoor learning (Be prepared for all weather conditions!)

The Outdoor Adventures Program is designed to get members of the university community involved with the natural world through adventurous, human-powered activities. These activities include hiking, backpacking, mountaineering, canoeing, whitewater rafting, rock climbing, bicycle touring, cross-country skiing and caving. Each trip offers opportunities for activity skill development, personal development, social interaction, and safe and enjoyable recreation. Environmental awareness is emphasized throughout each trip.
