

Health & Recreation Fee Student Advisory Board (H & R Fee Committee)

By-Laws – updated October 2019

Introduction:

Initially, on March 11, 2010, the Arizona Board of Regents approved a revised proposal from UA President, Dr. Robert Shelton, to phase in a new \$306/year mandatory fee over a two--year period beginning in FY 2011 to help support the UA Campus Health Service and UA Department of Campus Recreation. Then, on April 7, 2011, the Arizona Board of Regents approved a revised second phase Health & Recreation Fee proposal from UA President, Dr. Robert Shelton. The second phase of the mandatory Health & Recreation Fee request was revised to \$150/year for a total of \$300/year. The second phase amount was split \$79/year for the Campus Health Service and \$71/year for the Department of Campus Recreation.

The first year of the two--year phase in provided for a mandatory Health & Recreation Fee of \$150/year with a larger proportionate share of the Fee being directed to the Campus Health Service. A subsequent agreement was reached within the Division of Student Affairs that directed \$80/year of the \$150/year Health & Recreation Fee to the Campus Health Service and the remaining \$70/year to the Department of Campus Recreation. In full, the revised \$300/year mandatory Health & Recreation Fee is effective beginning fall semester 2011 and \$159/year will be directed to the Campus Health Service with the remaining \$141/year going to support portions of the Department of Campus Recreation.

The institution of a mandatory Health & Recreation Fee directly results from the need to move from a less predictable funding model associated with State and Retained Fees to a UA student enrollment based fee funding model to ensure a greater degree of predictability. Both UA students and parents of UA students were surveyed and supported (64% and 78%, respectively) the institution of a mandatory Health & Recreation Fee. The institution of a Health & Recreation Fee will help to assure that services associated with the Campus Health Service and the Department of Campus Recreation are in place and available to the UA student population.

Very importantly, the Health & Recreation Fee approval also includes a provision to have in place a Student Advisory Board that will serve to offer input and perspectives concerning the use of the Fee funding for both the Campus Health Service and Department of Campus Recreation. In turn, key members of the Campus Health Service and Department of Campus Recreation leadership will be present during Health & Recreation Fee Student Advisory Board meetings and will share financial and relevant operational information concerning the planned use of the Fee funding to keep the advisory board well informed.
