Health and Recreation Fee Student Advisory Board Agenda
4.29.2020 – 4:00pm
Virtual Zoom

1. Comments from Kendal Washington-White, Vice Provost/Dean of Students.
   a. Just learned there is a family that is providing UA with significant funds for the Student Emergency Fund that should support us for the upcoming years as well as this year.
   b. Campus Health Staff has been working every day and many nights to insure that we have a safe community during this difficult time of Covid-19

2. The Impact of COVID-19:
   • Budget for Campus Health
     o The budget that was submitted for FY21 was Pre-Covid-19 and is no longer workable
     o Loss of revenue – due to closure for FY20 and due to projected reduction in enrollment in FY21 therefore loss of H&R Fee revenue and Auxiliary Revenue
     o Hiring freeze
     o Furlough of faculty and staff
     o Cutting expenses as much as possible
     o Finding ways to increase revenue and find a way to bring students back to campus and keeping it safe for everyone.
     o There are some services that have been temporarily suspended (the clinic is not open full time or full service – in person clinics, mental health most all done by telehealth ) but once we re-open we will provide all of the same services as we are trying to avoid cutting staff or services
   • Budget for Campus Recreation
     o Same as what Shiela and Kendal has already stated that the revenue is down and will be for the foreseeable future
     o Finding different ways to add revenue sources
     o Cutting back on expenses – stopped all purchases except for essential items that cannot wait
- Hiring freeze
- Furlough program
- We did refund locker fees / semester memberships / Fitness passes / facility reservations
- Last summer we decided not to charge the H&R Fee and the Bond Fee for the summer and still allow access to the facility (once we open)
- Making effort to align our expenses to the current situation
- We decided very early on with support of the university we did not refunded any of the H&R Fee or Bond Fee to students – due to the services that we are still providing – see below

  • What both units are continuing to do/provide to campus
    - Programming – online to have students, faculty and staff can participate virtually
    - Fitness Classes – online recorded and live
    - Intramural sports – e-gaming
    - Virtual hikes
    - Camps had robotics kits for AYU but are now renting them out to individual families
    - Right now everything (except the rentals) is free until the fall then we will look at other options
    - Looking now on how we can re-open safely, for everyone as soon as we get the green light from the University – working on our plan and to prepare to open as soon as we can.

3. Board Officer openings – looking ahead to fall elections
   a. Tim G – will be the Chair in the Fall
   b. Vice Chair & Secretary open in the fall
   c. If you are continuing in the fall please let Janelle, Troy and David know
   d. If you are not going to continue in the fall please think of someone who can take your place and get them connected to Janelle, Troy and David

4. Constituent comments/questions
   a. Do you all foresee a change to the HR fee for 20-21 year? Lowered cost? Options to opt?
     i. Many things are being considered moving forward; however, there has been no discussion on reducing fees because those fees pay for so many things that we do as a campus and support the personnel and infrastructure of Campus Health
and Campus Recreation and would put one more obstacle on top of everything else.

5. Congratulations to all of the graduating seniors – thank you for your service on the board and good luck in your future endeavors.

Health & Recreation Fee Student Advisory Board (H & R Fee Committee)  
By-Laws – updated October 2019

Introduction:
Initially, on March 11, 2010, the Arizona Board of Regents approved a revised proposal from UA President, Dr. Robert Shelton, to phase in a new $306/year mandatory fee over a two--year period beginning in FY 2011 to help support the UA Campus Health Service and UA Department of Campus Recreation. Then, on April 7, 2011, the Arizona Board of Regents approved a revised second phase Health & Recreation Fee proposal from UA President, Dr. Robert Shelton. The second phase of the mandatory Health & Recreation Fee request was revised to $150/ year for a total of $300/year. The second phase amount was split $79/year for the Campus Health Service and $71/year for the Department of Campus Recreation.

The first year of the two--phase in provided for a mandatory Health & Recreation Fee of $150/year with a larger proportionate share of the Fee being directed to the Campus Health Service. A subsequent agreement was reached within the Division of Student Affairs that directed $80/year of the $150/year Health & Recreation Fee to the Campus Health Service and the remaining $70/year to the Department of Campus Recreation. In full, the revised $300/year mandatory Health & Recreation Fee is effective beginning fall semester 2011 and $159/year will be directed to the Campus Health Service with the remaining $141/year going to support portions of the Department of Campus Recreation.

The institution of a mandatory Health & Recreation Fee directly results from the need to move from a less predictable funding model associated with State and Retained Fees to a UA student enrollment based fee funding model to ensure a greater degree of predictability. Both UA students and parents of UA students were surveyed and supported (64% and 78%, respectively) the institution of a mandatory Health & Recreation Fee. The institution of a Health & Recreation Fee will help to assure that services associated with the Campus Health Service and the Department of Campus Recreation are in place and available to the UA student population.

Very importantly, the Health & Recreation Fee approval also includes a provision to have in place a Student Advisory Board that will serve to offer input and perspectives concerning the use of the Fee funding for both the Campus Health Service and Department of Campus Recreation. In turn, key members of the Campus Health Service and Department of Campus Recreation leadership will be present during Health & Recreation Fee Student Advisory Board meetings and will share financial and relevant operational information concerning the planned use of the Fee funding to keep the advisory board well informed.

Health & Recreation Fee Student Advisory Board

Student Advisory Board Role:
The Health & Recreation Fee Student Advisory Board is advisory only and will work with the leadership of the Campus Health Service and Department of Campus Recreation to offer UA student input and perspectives. Should any issues arise that require further UA administrative consideration, the Vice Provost, Campus Life; Dean of Students will have final decision-making authority.

Throughout the Health & Recreation Fee Student Advisory Board meeting cycle, questions will be answered and information shared so as to provide clarity and understanding relative to how the units are funded and how the Fee dollars are being applied.

Student Advisory Board Membership Composition/Selection:
In order to ensure a good cross-sectional representation of UA students and to assure that definitive information from the Campus Health Service and Department of Campus Recreation leadership is available for the Advisory Board, the following Advisory Board composition is recommended:

The second meeting later in the fall semester will be a pre-budget construction meeting and will allow for input from the UA students into how the Fee funding might be applied. The third meeting in early spring semester will focus on how budget updates if available, programming information and updates for Campus Health & Campus Recreation.
