

BIOSPHERE 2 VISIT

Join us for a visit to Biosphere 2, one of the world's most unique scientific research facilities and an iconic Arizona landmark. This program offers a self guided exploration of its diverse biomes—from rainforest to desert—while learning about sustainability, climate science, and the future of our planet. Expect an engaging mix of walking, discovery, and curiosity as we explore this fascinating space together. Perfect for anyone interested in science, nature, and big ideas.
