

# Camp and Hike Sedona Canyon

While the Grand Canyon may get all the glory in the Southwest, just a little further down I-17 lies another Arizona gem. Join us for a trip to Arizona’s best kept secret, Sedona! Camping in the famous Oak Creek Canyon, you’ll be immersed in the stunning views, sleeping surrounded by the gorgeous red rock.

Then, taking the hike along the creeks of the renowned West Fork Trail, experience the best of what Sedona has to offer in the natural beauty department with trees of all different colored leaves, quaint streams, and all the while being shaded from the Arizona sun by the canyon’s walls. Finally, after catching a sunset at the Airport Mesa lookout, you’ll be glad you gave the Grand Canyon’s little brother a chance as you head back to Tucson.
