Motorist Assistance Program
A free program to assist drivers who experience car trouble on campus. Free services include helping drivers who: locked their keys in their car, need a jump start or flat tire repair, require help locating their vehicles, or are running low on fuel.

Tucson Modern Streetcar “SunLink”
The Streetcar began operating in Summer 2014 and links the University of Arizona to downtown Tucson. The 3.9-mile route consists of 22 stops and has capacity for 180 people in each trip.

Pay Stations and Pay by Phone App
The solar-powered digital Pay Stations accept credit cards and Cat Cards; providing a convenient way for drivers to pay for parking. Pay by Phone app can be downloaded onto smart phones allowing drivers to add more time while away from their cars.

Disability Cart Service
A free service for UA students and employees with a temporary or permanent disability who need help getting around campus. The disability carts access areas on campus where the CatTran shuttles do not go. Carts operate M-F, 7:30 A.M. to 5:00 P.M.

Bicycle Programs
The UA is a bicyclist's paradise with over 7 miles of expansive and beautifully landscaped bike paths, around 11,000 free bicycle parking spaces, and an abundance of programs and services to support bicycle-travel around campus.
“Cat Wheels” Bike Sharing
A one stop shop for bicyclists experiencing bike trouble on campus. This free service provides bicyclists with minor adjustments, bike repairs, registration, and information.

Welcome,
Thank you for your patronage of The University of Arizona Parking & Transportation Services. We have many parking and transportation options available to students, visitors, faculty, and staff. We have a parking or transportation option suitable for your needs.

We encourage and support alternative transportation by providing bicycle parking at all buildings, bus pass subsidies, car sharing, CatTran shuttle service, bike sharing, and carpool programs. For more information please call 520-626-PARK or visit our website at www.parking.arizona.edu.

If you have any questions regarding parking and transportation at the University of Arizona, please contact Parking and Transportation Services at 520-626-PARK or visit our website at www.parking.arizona.edu.

Transportation Programs

CatTran On Campus Shuttle Service
A free service, that is especially great for those hot or rainy days. UA students, employees, and visitors can ride the CatTran shuttles around campus on six different routes. The CatTran operates M-F, 6:30 A.M. to 6:30 P.M. and the Night Cat operates M-F, 6:30 P.M. to 1:00 A.M.

GPS Tracking
GPS tracking information is available for the CatTran. This operation allows a passenger the ability to track the shuttle and determine the estimated time of arrival, allowing for a more convenient and efficient form of transportation.

Carpool Program
UA students and employees can purchase a carpool permit and split the cost when forming a carpool with 3 or more people. Participants have access to the reserved carpooling spaces in one of the UA parking garages or lots.

UA Zimride
A private ride sharing network for the UA that allows members of the university community to pool rides to give them a more convenient and efficient form of transportation. Zimride members can browse at any time to see if there are available rides in their area. Zimride is a free service that provides UA students and employees with a temporary or permanent disability who need help getting around campus. The disability carts access areas on campus where the CatTran shuttles do not go. Carts operate M-F, 7:30 A.M. to 5:00 P.M.

Bike Valet
A free service that provides UA students and employees with a higher level of protection against bike theft on campus. Bikes are parked in a secure and enclosed area and are closely monitored by bike attendants.

Sun Tran & Sun Link U-Pass
PTS subsidizes 50% of the cost of a U-Pass to give UA students and employees unlimited access to the Sun Tran routes and streetcars at half the price.

Bike Fix-it Stands
The 6 Bike Fix-it stands on campus are available 24/7 for bicyclists to service their own bikes free of charge. Each stand has an air pump, tire lever, wrenches, and screwdrivers.

Zipcar Car Sharing
A program that provides hourly car rentals for UA students and employees 18 years of age and older. Insurance, fuel, a GPS system, and iPod and Bluetooth connectivity is included in the cost of the rental. Great for a trip to the grocery store or a movie.

Cat Wheels Bike Sharing
UA students and employees can enjoy a bicycle ride around campus without owning a bike. This service provides free bike rentals from 9 different locations on campus.

Carpool Program
A program that provides hourly car rentals for UA students and employees 18 years of age and older. Insurance, fuel, a GPS system, and iPod and Bluetooth connectivity is included in the cost of the rental. Great for a trip to the grocery store or a movie.
