

Campus Recreation Program Fee Refund Policy

1.0 General Information

The Student Recreation Center (SRC) opened in August of 1990. While students voted via a student referendum in 1985 to fund construction of the facility by paying a \$25.00 per term fee, no provision was made to fund the recreational programs that operate in the facility.

A referendum for a Campus Recreation Program Fee that is continuous and refundable, with CPI (Consumer Price Index) increases annually, was presented to the students to vote on during the student elections held March 2002. The students approved the referendum. After receiving ABOR approval, the University began collecting a \$3.00 per student fee in August 2002.

The Recreation Program Fee is assessed to all University of Arizona students enrolled at any Tucson-based campus (examples include, but are not limited to, UA Main, AZ Health Sciences, UA Downtown, UA Tech) in 1 or more units in the fall or spring terms, and at a prorated rate for off fall and spring terms. The fee is used to offset costs of recreation programs such as intramural sports, collegiate club sports, and special events.

2.0 Process For Requesting A Refund

2.1 One Refund Request Per Term

A separate refund request must be submitted for each term. Refund requests must be submitted after the UA's specified "refund deadline" date and prior to the end of the term. Requests made after the end of the term will be denied. The submission date of the online request form will be the date used to determine the date of submission.

2.2 Obtaining a Refund

Refund requests must be submitted through the Campus Recreation web page at <http://rec.arizona.edu/student-fees>. Any student having difficulty with the web-based submission form should contact the Campus Recreation Business Office at (520) 626-3396 or CRec-biz@email.arizona.edu.

2.3 Refund Amount

Any student receiving a Recreation Program Fee refund will receive a refund of the fees assessed through the Bursar's Office as verified through UAccess Student. The fee will be credited to the Bursar's account for that student and will be available to the student at the discretion of the Bursar's Office.

2.4 Participation Eligibility

Students are ineligible for a Recreation Program Fee refund if they have participated in Campus Recreation programs or services during the current term. If a student receives a refund and then wishes to participate in the current term, the Recreation Program Fee must be repaid.
