About

Welcome to the IMLeagues webpage,
Bursars is an option as payment for all participants!

When creating teams, it is imperative that the payment be made as soon as possible to reserve your spot in the league of your choice. Only one player needs to pay and create a team to reserve your spot. You do not need to have a full roster in order to create a team. Members of a team can purchase a pass and join teams up until the last day of the regular season.
