How to Register for an AYU Camp

This page demonstrates how to add your child(ren) to the waitlist if an AYU camp is full. If the listing had a Green Plus Sign, (as shown on page 4), that means there is space in that activity. You may proceed to the next page.

If you would like to add your child(ren) to the waitlist for an activity, select the Yellow Plus Sign.

Note: The Waitlist Position number displayed here does not accurately reflect where your child(ren) may fall on the final list. The system does not recognize other children still being added to the list until the transaction is complete. Example: If other parents are adding children to the waitlist at the same time, it will give the same position number.
