9. Game balls will be provided, but warm up balls must be supplied by participants. The Supervisor does not have any equipment available for check out.
10. If a team does not have the minimum number of players to start a contest at the scheduled time, they will be given 10 minutes to secure the correct number before the first game is declared a forfeit.

15. Each team is allowed one 30 second timeout per game.
16. Liberos are not used for any versions of Volleyball.

**Rule 3: Service**

1. Winner of the coin toss shall elect to serve, receive or choose a side. There will not be a second coin toss for the third game.
2. Server must remain behind the service line until the ball is contacted (or feet must leave the floor from within the service area). The service zone shall consist of the entire baseline.
3. The ball is re-served if it is served before the referee's whistle.
4. A point occurs for the following service faults:

6. Any attempt to screen the receiving team from seeing the trajectory of the serve is side out. This includes two or more players standing together, or one player with hands above the head as the serve passes over him/her.
7. At the time the ball is contacted for the serve, all players must be in their proper order.

**Rule 4: Playing the Ball**

1. Each team is allowed three successive contacts of the ball in order to return it.
2. The ball may contact any number of body parts provided that such contacts are simultaneous and that the ball rebounds immediately and cleanly.
3. Touching a ball in an attempt to block does not count as a hit and the same player may make the first contact.
4. Contact with the ball must be brief and instantaneous. When the ball visibly comes to rest momentarily on any part of a player, it is considered as having been held. Lifting, pushing, carrying, or changing the direction of the ball are forms of illegal contact.
5. Receiving a served ball with an overhead pass using open hands is not necessarily a fault, however, it is recommended to receive the serve with a forearm pass.
6. When two players of the same team simultaneously contact a ball it is considered one contact and either player may make the next contact.
7. A player is not allowed to attack the ball on the opponent's side of the net.
8. No player shall assist a teammate by holding him/her while he/she is playing the ball. It is illegal to hold a player who is playing the ball in order to prevent a fault.
9. A back row player may not cause a ball, which is completely above the height of the net, to cross over to the opponent's side unless he/she is either on the ground completely behind the 3 meter line (spiking line) or is in the air, having jumped from behind the line. If the attacking player touches any part of the line it is a violation.
Rule 5: Blocking

1. Only the players who are in the front row at the time of the serve may legally accomplish blocking. Back row players may not participate in a block.
2. The team, which has affected the block, shall have the right to three additional contacts after the block.
3. Multiple contacts of the ball by a player participating in a block shall be legal provided it is during one attempt to intercept the ball.
4. Multiple contacts of the ball during a block shall be considered a single contact, even though the ball may make multiple contacts with one or more players of the block. The ball may come to rest briefly during the block.
5. Blocking a served ball is prohibited.
6. It is legal to block a ball on the opponent's side of the net provided, in the opinion of the official, the trajectory of the ball would have caused it to break the plane of the net or if there are no attacking players able to play the ball.
7. A blocked ball is considered to have crossed the net.

Rule 6: Play the Net

1. Any ball hitting the net may be played off the net.
2. If a player's action causes him/her to contact the net during play with any part of body or clothes, that player shall be charged with a fault unless contact is incidental.
3. If the ball is driven into the net with such force that it causes the net to contact a player, such contact shall not be considered a fault.
4. If opponents contact the net simultaneously, it shall constitute a double fault and the point will be replayed.
5. If a player accidentally contacts any part of the net supports, such contact should not be counted as a fault provided that it has no effect on sequence of play. Intentional contact or grabbing of such objects shall be penalized as a fault.
6. Contacting the opponent's playing area with any part of the body except the feet is a fault. Touching the opponent's area with a foot is not a fault provided that some part of the encroaching foot remains on or above the centerline and does not interfere with the play of an opponent.

2. A team that does not have the minimum number of players at the end of the 10-minute grace period shall forfeit the game. Example: Game time is at 6:00 pm; the game will be declared a forfeit at 6:10 pm. In all cases the game must remain within the time period allotted, this means that the game clock will start at the time the game is scheduled to be played so that the 10 minutes will be deducted from normal playing time.
3. The supervisor will declare a forfeit and award a win to the team that is ready to play with the correct number of players.
4. If neither team is ready to play with the minimum number of players after the 10-minute grace period, then both teams will receive a forfeit.
5. A team must start and continue the game with the minimum number of players as stated in the rules for that sport or a forfeit will be declared.
6. A team may receive a forfeit due to improper team attire. (INTRAMURAL SPORTS PARTICIPANT HANDBOOK Page 10 of 27)
7. Teams found to have ineligible players in the game or on the game roster will forfeit that game, depending upon time of discovery and the player’s effect on the game’s outcome.
8. Any Intramural Sports staff may assess forfeits for the use of an ineligible player or for player/spectator misconduct.
9. Forfeited games will not be rescheduled.
10. If a team forfeits or defaults twice, they are dropped from the league.
11. Teams that are on the waitlist, or have stated that they want to be contacted in case other teams forfeit, will take the place of the teams that have forfeited out of the league.
12. A contest completed prior to a team being dropped from the league is official. A contest not played is recorded as a win for the opposing team.
